

NOOSA EAGLES SOCCER CLUB

Isaiah 40:31

Let's continue to make the club strong!

Team Photos

Saturday 15th May – Home grounds

Players are reminded to arrive for their team photos **15 minutes before** your photo shoot time. Bring your completed photo envelope on Saturday 15th of May to give to the photographer. Late orders may attract a late fee.

Team managers are to collect team orders and give to photographer at the time of the team photo. Team photos will be taken near the club canteen, so meet your team there.

Training Shirts

Training shirts can still be purchased for \$5 each at home games or through a Committee member. Training shirts can be worn at both training and to and from games. It has been great to see many of you wearing these to training and before matches. Socks and shorts can be purchased at Sports Power in Noosaville (near Officeworks).

Swipe 2 Give

Thanks for taking up this new fundraiser for our club. We hope that during your regular shopping that you will be able to use your Swipe 2 Give card. If you haven't yet activated your card, you will need to do so online at www.swipe2give.com.au

When paying for your purchase at a participating shop you also need to show the shop assistant your Swipe 2 Give card. The shop assistant will swipe the club card after you have paid.

The slightly confusing part of the transaction is that the shop assistant will enter an amount of 5 cents on savings account. When you are asked to enter your pin numbers the eftpos machine receipt actually says that the transaction was **declined**. This is what is meant to happen, the transaction will now go through and the club will receive a small percentage of the sale. This may confuse some people when they go to use their cards for the first time.

A list of participating businesses are on page 2 of this newsletter.

Club Website

Our club website is a great way for you to find out the latest happenings and up-coming events in our club. It has been great to see many parents and players visiting the site to find out the latest information on wet weather and to see what's coming up. The site also contains information about team results, and draws.

Add your team's results on our Weekend Results page. To be published in the Noosa Journal on Thursdays, results need to be in by Sunday night 8pm. Please include a brief game summary if possible. You can also send in results to secretary@noosaeaglessoccerclub.com

Canteen

The Canteen needs your support! Please assist us throughout the remainder of our home games, as many hands make light work! Our canteen raises extra funds to help with the end of year presentations and other expenses during the year. We ask that you drop into the canteen before your child's match (while they are warming up) to see if your help is needed. If everyone could help for ½ hour before your child's match, we would appreciate it. This would give the two canteen convenors the chance to get out and watch their own children's matches. Sue and Kim are both doing a great job!

Award Certificates

We have recently distributed various award certificates to encourage the players week to week after their match. Each team should have enough for 1-2 per player during the season. Team managers/coaches are to distribute them throughout the season (1 to 2 per match). We thank KFC, McDonalds and Video Ezy for their support.

Ground Marking Volunteers Needed

We still are in need of a few volunteers that can help out in marking the grounds. The school does not do this for us. It takes around 1- 1½ hours to do the three fields. If you can help out, we would love to hear from you. Call Andrea on 5449-9331 to discuss.

Shoe Donations Welcome

Do you have any old soccer boots that no longer fit, or don't want that are still in good condition? Can you donate them to the club to raise extra funds and help others who don't wish to purchase new boots? If so, please bring them to training where they will be collected by a Committee member. If you are interested in purchasing a second hand pair of boots for your child, contact the Committee or visit the canteen on home games.

Setting up for home games

We need help on home games to make sure everything is ready for kick off. If your team is scheduled for the first game of the morning (8.30am), it would be greatly appreciated if one of two Dads from each team could help set up the goals, nets, corner posts and shade tents.

Junior State Titles - 2010

State Titles are being held at Stockland Park, Kawana on the 12th and 14th June.

The SCCSA will have their representative teams participating in this championship. This would be a great event for younger players to come along and watch some great games.

We have several Noosa representatives in various age groups. Come along and support them.
